WHO ARE WE ?

NCNW is an "organization of organizations" comprised of 300 campus and community-based sections and 32 national women's organizations that enlightens and inspires more than 2,000,000 women and men.

Founded in 1935 by Dr. Mary McLeod Bethune, an educator and nation builder and for more than 50 years lead by the iconic Dr. Dorothy Height as president. In 2018, Dr. Johnnetta Betsch Cole was elected as Chair and ushered in a new era of social activism, progress and growth for the organization.

OUR MISSION.

The NCNW mission is to lead, advocate for and empower women of African descent, as they support their families and communities.

We accomplish our mission through research, advocacy, national and community-based programs and services on education, health and economic empowerment in the United States and Africa.

FOUR FOR THE FUTURE

Today, NCNW lifts up the connection with our communities across the country. The new mantra for the organization is reflected in our programmatic pillars:

- Education with a special focus on STEAM; science, technology, engineering, the arts and math
- Health – with a focus on disparities and HIV/AIDS
- Entrepreneurship and Financial Literacy and
- Public Policy and Civic Engagement

Do you want to become more involved in strengthening families, creating economic opportunity and building healthy communities? If so, then NCNW is for you.

The Sacramento Valley Section of NCNW offers you a positive, uplifting and supportive network of Sisters (and Brothers) who share a passion for fulfilling the NCNW mission.
